

SAVANNAH

The INN - Savannah, GA

ENGAGING the UNREACHED

- Savannah is one of two cities in GA that receive resettled individuals.
- Savannah has received about 1000 individuals since 2012. They are placed in Savannah due to the growing economy and generally welcoming environment.
- The INN at Savannah works with 16+ unreached people groups, many of whom are Muslim.
- At the INN Savannah, we provide amazing opportunities to interact with people from all over the world.

Pioneers wanted! The INN Savannah is engaging people from over 16 people groups providentially brought by God to our beautiful city. Our team is planting churches through the relationships we make in English lessons, home visits, sports outreach (men), and living life with our new friends. We are looking for teammates that will engage our friends, as well as through leading our dedicated group of volunteers.

PRAY

Desired outcomes in the next five years:

- Three or more house churches
- Begin international student outreach
- Begin involvement with Business for Mission opportunity
- Begin involvement with young adult mobilization (Compass)

GIVE

Join us in financially supporting The INN Savannah as we endeavor to establish communities of disciples among the unreached.
